

# **Tompkins High School Project Grad 2023**

**OTHS Project Grad 2023  
c/o Tompkins High School  
4400 Falcon Landing Blvd., Katy, TX. 77494**

To our Community Partners,

Planning for Project Graduation for Tompkins High School has begun! The parents of the Class of 2023 are pleased to provide graduating seniors a drug-and-alcohol-free lock in to celebrate their achievements! The event will be held at Main Event on May 25<sup>th</sup>, 2023 from 11:30 PM to 6 AM. Fundraising has begun and we need your help to meet our goals!

By the way, Did you know that statistics from the National Traffic Safety Association show that graduation night is one of the deadliest nights for our youth? Midnight to 3 AM is the most dangerous time period. Because of the tragedies that produced these statistics, Project Grad came to exist. The program was started by a community in Maine in 1980 as a response to the 12 lives lost the previous year on graduation night. By providing our seniors with this lock-in event, we know that at least for one night, we will be able to keep our kids out of harm's way.

We are asking you to join us in this endeavor to promote a safe environment for the seniors of Tompkins High School! Your contributions are tax deductible and you will receive a thank you letter from us that will document your donation for tax purposes. We will also make sure that parents, students and the general public are aware of how your business helped make this night happen! See all the attached sponsorship sheets that document what you will receive with each sponsorship level.

We look forward to partnering with you in making this night a spectacular event! Please contact me with any questions.

Sincerely,

**Felicia Tadlock**

President, OTHS Project Grad 2023
